NEW YORK – August 14, 2015 – Impact Networking has been named to the 34th annual Inc. 5000 list of fastest-growing private companies in America. Impact recorded a 57% 3-year growth rate and posted \$40.6 million in 2014 revenues, earning Impact the title of Five-Time Inc. 5000 Honoree.

The list represents the most comprehensive look at the most important segment of the economy—America's independent entrepreneurs. Companies such as Yelp, Pandora, Timberland, Dell, Domino's Pizza, LinkedIn, Zillow, and many other well-known names gained early exposure as members of the Inc. 5000.

"It's an amazing opportunity to be recognized among these other incredible organizations," Impact Networking CEO Frank Cucco said. "Our growth has allowed us to provide new opportunities and advancement to our employees, and we are incredibly proud of that."

The 2015 Inc. 5000 is the most competitive crop in the list's history. The average company on the list achieved a mind-boggling three-year growth of 490%. Methodology

The 2015 Inc. 5000 is ranked according to percentage revenue growth when comparing 2011 to 2014. To qualify, companies must have been founded and generating revenue by March 31, 2011. They had to be U.S.-based, privately held, for profit, and independent--not subsidiaries or divisions of other companies--as of December 31, 2014. (Since then, a number of companies on the list have gone public or been acquired.) The minimum revenue required for 2011 is \$100,000; the minimum for 2014 is \$2 million. As always, Inc. reserves the right to decline applicants for subjective reasons. Companies on the Inc. 500 are featured in Inc.'s September issue. They represent the top tier of the Inc. 5000, which can be found at <http://www.inc.com/5000>.
