FOR IMMEDIATE RELEASE

IMPACT NETWORKING, LLC NAMED TO CRN'S 2016 SOLUTION PROVIDER 500 LIST

LAKE FOREST, IL (JULY 26, 2016) — Impact Networking, LLC announced today that [CRN®](#), a brand of [The Channel Company](#), has named Impact to its [2016 Solution Provider 500 list](#). The SP500 list is CRN's annual ranking of the largest technology integrators, solution providers and IT consultants in North America by revenue.

The SP500 is CRN's predominant channel partner award list, serving as the industry standard for recognition of the most successful solution provider companies in the channel since 1995.

CRN has also released its 2016 SP500 Newcomers list, recognizing 47 companies making their debut in the SP500 ranking this year.

"We're honored to be named amongst the largest solution providers in North America for the 3rd year in a row," Impact Networking Partner and Chief Information Officer, Doug Gamache said. "We continue to strive to be the best and by moving up to the No. 302 spot from last year's No. 400, we have shown what we are capable of accomplishing."

"The 2016 Solution Provider 500 represent a total, combined revenue of over \$334 billion—a testament to their success in keeping pace with the rapidly changing demands of today's IT market," said Robert Faletra, CEO, The Channel Company. "This prestigious list recognizes those companies with the highest revenue and serves as a valuable industry resource for vendors seeking out top solution providers to partner with. We congratulate each of the Solution Provider 500 companies and look forward to their continued success."

A sampling from the 2016 Solution Provider 500 list will be featured in the June issue of CRN Magazine and at www.CRN.com/sp500.

About Impact Networking

Impact is a fierce competitor in the Business Process Automation space. Founded in 1999, Impact employs over 280 people at its 11 Midwest locations. Our Account Managers and Consultants interact with Directors and C-Level stakeholders to assess the role of information and document workflow in the enterprise. Utilizing our in-house expert teams, we implement strategic, cost-effective and streamlined solutions.
